

Employment Group
HELPING PEOPLE SUCCEED

Talent Strategy

EmBrand | EmPower | Engage

We do more than help build and manage memorable employer brands, we work with you to create an environment where employees feel valued, motivated, and committed for the long run.

Recruitment Solutions

Recruitment Process Outsourcing (RPO) | Professional Placement | Staffing

Need to hire temporary or full-time staff? We offer RPO, Professional Placement, and staffing services to help you make the right hire every time. Our team partners with you to fill positions with the right fit—and fast.

Workplace Services

Janitorial Services | Production Sanitation | Business Services

By reducing the noise, providing clear solutions, and allowing your team to stay focused on your core objectives, EG Workplace Services empowers your employees to drive growth and productivity.

Meet EG

We help people succeed!

We help hiring managers find dream teams and match job seekers with new opportunities. We are true partners, connecting people to possibilities.

With over 65 years of experience, and a reputation of success, companies and candidates trust us as a reputable partner who can help them truly achieve success.
